*Kraus' Recreation and Leisure in Modern Society* Daniel McLean, Amy Hur, Nancy Brattain Rogers, 2011-02-09

Focusing on ten different types of organizations-ranging from nonprofit community organizations and armed forces recreation to sports management and travel and tourism sponsors-this classic text is an invaluable resource for students considering a career in the recreation and leisure industry. --

*Kraus' Recreation and Leisure in Modern Society* Daniel D. McLean, Amy R. Hurd, Nancy Brattain Rogers, 2005

Dr. Jan Louise Jones, Southern Connecticut State University --Book Jacket.

*A History of Recreation* Foster Rhea Dulles, 1965

*Kraus' Recreation and Leisure in Modern Society* Daniel McLean, Amy Hur, University of Nevada Las Vegas Daniel McLean, Dr. Amy Hur, 2014-02-18

With a new full-color design with perforated worksheets, the Tenth Edition of Kraus' Recreation and Leisure in Modern Society provides a detailed introduction to the history, developments, and current trends in leisure studies. It addresses contemporary issues facing the recreation and leisure profession and focuses on challenges and opportunities that impact the profession now as well as years from now. Extensive research into emerging trends helps support the text and provide insights into the future. Focusing on the ten different types of organizations --ranging from nonprofit community organizations and armed forces recreation to sports management and travel and tourism sponsors -- this classic text text is an invaluable resource for students considering a career in the recreation and leisure industry. New to the Tenth Edition: - Discusses how specific trends, such as dramatic shifts in population make-up, the impact of technology, and marketing affect leisure-service systems and the recreation and park professions. - Focus on the role of parks and
recreation on the health and wellness of our communities as well as means to combat the obesity epidemic in North America.
- Includes new case studies which allow students to apply knowledge of technology in leisure, identify the value and benefits of play, and recognize the changing family structures of our modern society.

A Social History of Leisure Since 1600 Gary S. Cross,1990
Gender and generation in 19th-century leisure -- Leisure for the masses, the commercialization of entertainment in the 19th century -- Participants and spectators, modernization of sport as leisure -- Dilemmas of leisure and public policy, 1900-1940 -- Consumer leisure and the 20th-century suburb -- Working-class and youth at play in the 20th century -- Looking forward from the recent past. Why a social history of leisure? --

Recreation in the Renaissance
A. Arcangeli,2003-12-18
In Renaissance Europe, when 'leisure classes' used social gathering to define civility and the commercialization of leisure was beginning, the human need for recreation became a cultural topos. The book explores the vocabulary of play and games; the spectrum of leisure activities, often gender-specific or appropriate to particular social groups; the medical discourse on the preservation of health, where amusements were assessed as physical exercise; the moral approach to play; legal treatises on gambling; and the visual representation of leisure.

Encyclopedia of Recreation and Leisure in America
Gary S. Cross,2004
Discussed how Americans spend their free time and entertain themselves. Essays present perspectives in the fields of American and cultural studies, sociology, recreation, sports, leisure studies, auctions, bloodsports, shopping malls, and theme parks.

America Learns To Play A History Of Popular Recreation 1607-1940
Foster Rhea Dulles,2023-07-22
This lively history of American leisure covers everything from colonial pastimes like hunting and fishing to the rise of professional sports in the early 20th century. Dulles's engaging style and meticulous research make this book a joy to read for anyone interested in the social history of the United States. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process,
and thank you for being an important part of keeping this knowledge alive and relevant.

**A Brief History of Parks and Recreation in the United States** Charles Edward Doell, Gerald B. Fitzgerald, 1954

**Encyclopedia of Recreation and Leisure in America** Gary S. Cross, 2004 Discussed how Americans spend their free time and entertain themselves. Essays present perspectives in the fields of American and cultural studies, sociology, recreation, sports, leisure studies, auctions, bloodsports, shopping malls, and theme parks.

**Leisure in the Industrial Revolution** Hugh Cunningham, 2016-07-01 First published in 1980. This book is a study of what different classes of society understood by leisure and how they enjoyed it. It argues that many of the assumptions which have underlain the history of leisure are misleading, and in particular the notions that there was a vacuum in popular leisure in the early Industrial Revolution; that with industrialisation there was sharp discontinuity with the past; that cultural forms diffuse themselves only down the social scale, and that leisure helped ease class distinctions. An alternative interpretation is suggested in which popular culture can be seen as an active agent as well as a victim. This title will be of interest to students of history.

**Pleasure and Leisure in the Middle Ages and Early Modern Age** Albrecht Classen, 2019-08-05 Jan Huizinga and Roger Caillois have already taught us to realize how important games and play have been for pre-modern civilization. Recent research has begun to acknowledge the fundamental importance of these aspects in cultural, religious, philosophical, and literary terms. This volume expands on the traditional approach still very much focused on the materiality of game (toys, cards, dice, falcons, dolls, etc.) and acknowledges that game constituted also a form of coming to terms with human existence in an unstable and volatile world determined by universal randomness and fortune. Whether considering blessings or horse fighting, falconry or card games, playing with dice or dolls, we can gain a much deeper understanding of medieval and early modern society when we consider how people pursued pleasure and how they structured their leisure time. The contributions examine a wide gamut of approaches to pleasure, considering health issues, eroticism, tournaments, playing music, reading and listening, drinking alcohol, gambling and throwing dice. This large issue was also relevant, of course, in non-Christian societies, and constitutes a critical concern both for the past and the present because we are all homines ludentes.

**Puritans At Play** B. Daniels, 1995-08-15 'It is rare for a book to be both erudite and amusing at the same time, and this book has succeeded. It has changed the common but unacceptable image of the Puritans as dull, solemn, melancholy misanthropes' - Horton Davies, author of The Worship of the American Puritans For over four centuries, 'puritan' has been a synonym for dour, joyless, and repressed. In Puritans at Play, Bruce Daniels reappraises the accuracy of this grim portrait by examining leisure and recreation in colonial and revolutionary New England. Chapters on music, dinner parties, dancing, sex, alcohol, taverns, and sports are presented in a lively style making this book as entertaining as it is illuminating.

Leisure and Cultural Conflict in Twentieth-Century Britain Brett Bebber, 2012-09-04 This collection of articles addresses research trends in the history of British leisure while also presenting a wide range of articles on cultural conflict and leisure in the twentieth century. It includes innovative research on a number of topics, including television, cinema, the circus, women’s leisure, dance, football and drug culture. It provides an excellent entry to leisure studies and history, while addressing the contributions of other disciplines and exploring key historiographical trends. Three broad topics structure the collection; cultural contestation and social conflict in leisure; regulation and standardization; and national identity embodied in leisure and popular culture. The book will be useful to students and educators of twentieth-century and British history, as it offers accessible and topical studies that pique historical curiosity. In addition, historians, sociologists, and cultural analysts of the twentieth century will find it essential for understanding pleasure and recreation in twentieth-century British society.

Recreation in the Renaissance Alessandro Arcangeli, 2003 Thus, leisure existed and mattered well before the Industrial Revolution: its theory and practice significantly shaped an epoch and its self-image. -- BOOK JACKET.

Puritan Attitudes Towards Recreation in Early Seventeenth-century New England Hans-Peter Wagner, 1982 The interdisciplinary approach of this study tries to bridge a gap in the field of Puritan Studies, the one between the two camps of intellectual and social science historians. Focusing on the attitudes of the early Puritan church members in New England towards sport and recreation in general, the book attempts to show the differences between Puritan theory and New England reality. At no point in their history were the Puritan leaders able to enforce their secular and ecclesiastical laws. Even within the leadership itself a wide spectrum of opinions on recreation existed. The Puritan preachers reacted to this dilemma in their hortatory sermons, the jeremiads, which were employed to shame the younger generations into conformity by inventing the myth of the godly founding fathers. But the Puritan utopia was condemned to failure from the very start: the church members could not resist temptation.

Kraus' Recreation and Leisure in Modern Society Amy Hurd, Denise M. Anderson, Tracy Mainieri, 2021-08-06 Kraus’ Recreation and Leisure in Modern Society provides a detailed introduction to the history, developments, and current trends in leisure studies. The Twelfth Edition focuses on the challenges and opportunities impacting the profession—including dramatic demographic changes, new technologies, and innovations in marketing—through an array of pedagogical features, including engaging sidebars and case studies addressing contemporary issues. Focusing on ten different types of
organizations—ranging from nonprofit community organizations and armed forces recreation to sports management and travel and tourism sponsors—the Twelfth Edition is an invaluable resource for students considering a career in the recreation and leisure industry
